Per our phone conversation earlier today, I enclose a copy of the patent application (with drawing), Declaration and Power of Attorney, and Assignment to replace the originals that were damaged from irradiation. Also enclosed is a Certification that these documents are true and accurate copies of the originally filed documents.

Thank you for your assistance in this matter.

If you have any questions, please do not hesitate to contact me at 610-695-6553.

Sincerely,
